First Patient Contact: 10:20

10:25 09/26/2014 - Basic Assessment - JENNIFER CADY, RN

Type of Assessment: Initial assessment

LOC: alert and active

Orientation: person, time, place

Respiratory: non-labored, speaks in full sentences

R Breath Sounds: clear

R Bowel Sounds: present

L Bowel Sounds: present

Skin Color: normal for pt

Skin Temperature: warm

Skin Moisture: dry

Mobility: moving all extremities well

Basic Assessment Other: gown provided

Note: pt is calm and cooperative, BIBI NYPD/EMS. As per pt, FDNY came to his door stating there was a leak in his apt. Pt states there was no leak and did not open the door. FDNY attempted to break his door lock, thus "jamming my lock and I was unable to unlock or open the door". NYPD arrived and "busted down my door and tackled me to the ground, I didn't resist".

10:31 09/26/2014 - MD Chief Complaint - ANGEL MIER HICKS, MD

MD Chief Complaint: Abrasion (919.0)

322619190997

10:32 09/26/2014 - Basic Assessment - JENNIFER CADY, RN

Type of Assessment: reassessment

Basic Assessment Other: gown provided

Note: Pt has c/o bilat wrist and FA pain, as well as pain to his upper mid back.

Bilat wrists with abrasions and slight redness and swelling where he was cuffed. Also noted is an about 1.5" wide by 10" long abrasion/bruise to his mid back. Pt is also c/o of sore neck and states "they had a knee in my neck and I couldn't breathe". Pt is cooperative and is only upset because he says he didn't do anything wrong and he was not resisting arrest. Denies psych hx. hx of HTN, compliant with meds.

10:33 09/26/2014 - Basic Assessment - JENNIFER CADY, RN

Type of Assessment: reassessment

LOC: alert and active

Orientation: person, time, place

Respiratory: non-labored, speaks in full sentences

R Breath Sounds: clear

L Breath Sounds: clear

Abdomen: soft

Skin Color: normal for pt

Skin Temperature: warm

Skin Moisture: dry

Mobility: ambulating well in ER, moving all extremities well

Basic Assessment Other: gown provided

Note: also noted is a small abrasion/avulsion to top of L great toe/at nail bed, bleeding controlled.

Reassessment: XR neg. Dc home.

Published: 13:14 09/26/2014 JESSICA LEIFER, MD

EM3 Note: 55 yo M who was assaulted by police. Calm, collected, AAOx3 and pleasant. Multiple abrasions, bruising and click of elbow. Plan ibuprofen. tetanus and xr. dc.

Published: 11:22 09/26/2014 JESSICA LEIFER, MD

Attending

Supervision: I discussed this patient with the resident, agree with the documented resident history, physical, exam, assessment and plan; I directly interviewed and examined the patient

Summary: it is unclear to me why the patient is here. it sounds like they were investigating something in his building and it just escalated resulting in contusions. the patient is calm, answering all questions appropriately.
